PROFESSIONAL SUMMARY

Bilingual (English/Chinese) customer-facing professional with a track record of representing international brands to Chinese-speaking clients — and Chinese clients to English-speaking teams. Across specialty coffee, international trade, and live event sales, the through-line has always been the same: keep communication clear, resolve issues before they escalate, and make clients feel genuinely looked after. Fluent business English with hands-on experience in written correspondence, real-time interpretation, and cross-cultural client management. Comfortable operating independently in high-pressure, fast-moving environments where no two days are the same.

Panda Bear Express — representing ICOSA Brewhouse & Biru Roast | Mar – Apr 2026 | Shanghai

- Closed 150+ sales transactions independently across specialty brewing vessels and single-origin coffee beans, engaging trade buyers, communicating product value, and handling objections in real time in both languages
- Provided live English-Chinese interpretation for ICOSA brand directors and international competition baristas during guest sessions, ensuring zero communication breakdowns between foreign leadership and Chinese buyers
- Maintained composure and service quality throughout sustained high-traffic periods in a 20+ international brand exhibition environment — adapting tone and approach fluidly across different buyer profiles

Senior Barista & Corporate Client Liaison

Manner Coffee — in partnership with Lilith Games | Jul 2023 – Mar 2026 | Shanghai

- Primary service interface between Manner Coffee and Lilith Games' corporate administration team across two flagship campus locations, managing daily communication, service requests, issue escalation, and relationship maintenance for a 300–400 person daily client base
- Resolved service issues and complaints on the spot, acting as the first point of contact for a demanding corporate client whose admin team expected fast, professional responses — not excuses
- Coordinated and executed multiple internal corporate events in partnership with Lilith Games' admin team, managing logistics from brief to delivery with minimal guidance
- Maintained daily operational records including revenue reconciliation, inventory tracking, and service reporting — consistent accuracy over nearly three years with no significant process failures

JCBasic (Shanghai Tingdi Accessories Co., Ltd.) | Mar 2022 – Apr 2023 | Shanghai

- Managed the full order lifecycle end-to-end: inquiry handling, quotation, production coordination, shipment tracking, and payment follow-up — keeping clients informed at every stage without being chased
- Prepared and reviewed commercial documentation including contracts, invoices, and packing lists; tracked overdue receivables and coordinated collection with the finance team
- Translated and proofread English-Chinese business documents, contracts, and client correspondence — ensuring accuracy of meaning, not just words
